### Beginnings

A new baby is on the way.  
Not just any baby.  
It is your little brother or sister.  
A part of you.  
I am so afraid,  
And excited  
And angry  
And sad.  
Afraid of being  
hurt again.  
Excited that I  
will have  
another child,

To give my love to  
Angry that you are gone  
And sad,  
Every moment wishing you were  
here  
With us.  
All of these emotions  
Sometimes make me feel crazy.  
But I know I am not.  
I am just a grieving mother.  
Missing what should have been.

I can not believe it has been 3 years that you went away. We sure do miss you down here. Parker talks about you now and then. Before you were born I would have this reoccurring dream about you. In this dream you had long, curly blonde hair and bright blue, sparkling eyes. I can only imagine what you would look like today. I love you and miss you so so so much. I can not even put into words how bad I want to see your face.

Love Always, Aunt Jessa and Parker Michael
