Happy 7th Birthday!!

Seven years have gone since  
we held you but we still  
remember each &  
every moment like  
it was yesterday!!

Your short time here made many,  
many memories.  
We take comfort in knowing Taylee  
& Tayge have their big sister  
to watch over them & play with till  
we are all together again!

We bet you are the  
BEST big sister ever!!  
You will never be forgotten  
sweet angel!

Happy 1st Birthday!!  
“It’s been a year since you  
were taken away,  
although it feels like yesterday.  
We miss you more &  
more each day,  
but still the pain is here to stay.”

We can’t begin  
to tell you how much  
we miss you every single day  
& wonder why you  
were taken away.

You must have been just  
too special to stay.  
All the “firsts” we’ve missed  
this past year are so hard  
to think about.

We wish so much that  
you were still here  
with us today!

We know we are very lucky &  
blessed knowing that  
you are ours forever!  
You will always be  
our precious angel!  
Can’t wait till we see you again –  
Families are Forever!

Love,  
Mommy, Daddy  
Tyler, Trey & Trevyn

For My Little Man  
By Toni R. Dursteler

*Small little hands,  
Dainty little feet,  
A face like an angel  
You look so sweet.*

*A song from a bird,  
You never will hear,  
Nor the scent of a flower,  
Or the taste of a tear.*

*The angels in Heaven  
Await your pure soul.  
But your Daddy and Mommy,  
Wished for our role.*

*We would love to keep you  
On earth as you see,  
But since we truly do love you,  
Tis better to set you free.*

*My Little Man Deke,  
Know this is true,  
Forever and ever,  
We will love you.*

## Angels are Forever

We were chosen to become the family of a very special child.  
Who would come to earth from Heaven and visit for a while.  
There are mothers who give birth to babies,  
too good for this world of men.

They touch our lives for a moment, then travel Home again.  
This was to become our destiny. And, Why? We need not know.  
For a parents greatest gift is to nurture and love a child with a perfect soul.

Our baby was born an Angel and stopped to pause this way,  
Blessing us with sunshine, as we thanked the Lord each day.  
Our child was like a ray of perfection and could not journey long,  
The source of power being God Himself, quietly called our Angel Home.

As we walk in Springtime meadows, with nature posing all around,  
We see the beauty of our little one in every sight and sound.

Whenever I gaze at this beautiful world, or look at a blue sky above,  
I know that Angels are Forever  
Warming our hearts with their light and love.
