

The mission of Share Pregnancy and Infant Loss Support, Inc. is to serve those whose lives are touched by the tragic death of a baby through pregnancy loss, stillbirth or in the first few months of life.

The primary purpose is to provide support toward positive resolution of grief experienced at the time of, or following the death of a baby. This support encompasses emotional, physical, spiritual, and social healing, as well as sustaining the family unit.

The secondary purpose of Share is to provide information, education, and resources on the needs and rights of bereaved parents and siblings. The objective is to aid those in the community,

including family, friends, employers, members of the congregation, caregivers, and others in their supportive role.
